

## **ARTICLES OF INCORPORATION**

### **Article I: Name**

The name of the corporation is Project Gutenberg Literary Archive Foundation, Inc..

### **Article II: Registered Office Address and Agent**

The registered office address of the corporation is 1907 Wolfe St., Oxford, MS 38655. The registered agent at the above address is Mary Brandt Jensen.

### **Article III: Purpose**

Within the broad range of charitable purposes permitted by section 501(c)(3) of the Internal Revenue Code, the purposes of the Project Gutenberg Literary Archive Foundation, Inc. shall be limited to:

1. preserving literary and other intellectual works, and
2. making copies of or products based on those works available free of charge or at the lowest possible cost to the people of the United States and the rest of the world.

In order to maximize accessibility for people with limited resources, works should be made available in formats accessible with a wide variety of machines, including computers which many people consider obsolete or worthless. At the time of creation of this corporation, this purpose is being accomplished by converting works in the public domain to "Plain Vanilla ASCII," and posting them on the Internet. "Plain Vanilla ASCII", meaning the low set of the American Standard Code for Information Interchange, is being used because 99% of the hardware and software a person is likely to run into can read and search these files. Because the preservation of the public domain is essential to the success of the charitable purpose of this corporation, to the extent permitted by law without jeopardizing the federal income tax exemption of this corporation pursuant to section 501(c)(3) of the Internal Revenue Code, the corporation may engage in lobbying and other activities to prevent or lessen the extension of terms, the expansion of scope, or the narrowing of the rights of the public, libraries and archives under exemptions or limitations of the copyright, patent and other laws of the United States and possibly other parts of the world.
